Ends"**

## Remote Learning Extended Through Winter Break

October 9, 2020

Dear Calumet City School District 155 Staff, Students, and Families,

At last night's meeting, the Board of Education voted to extend our remote learning plan through winter break. The continued hardships that our students, families, and staff members are working through on a daily basis is unprecedented. Our first priority in the decision to remain in a remote setting through winter break is the safety of our stakeholders.

Please know that we are working tirelessly to continue to improve the remote learning environment. Here are a few announcements/reminders:

- We will continue providing five day meal packs on Mondays from 7a.m. – 9a.m. and 2p.m. – 4p.m. at each of our three school locations.
- District 155 participates in the Summer Food Service Program which makes children and teens 18 and younger eligible to receive food from our schools.
- Please reach out to your school office for any technology issues or needs.
- On November 23, 2020, each school is planning to host virtual parent-teacher conferences via Zoom.

Each building will continue to bring in small groups of students for appointments, additional support, assessments, meetings, and instructional opportunities.

As we continue our remote learning format for our students, District 155 is committed to helping students succeed and partnering with families as they support students learning at home. We are also committed to supporting our dedicated staff as they teach our students in this challenging environment. District 155 will revisit the remote learning plan and the possibility of transitioning to in-person learning in mid-December.

Sincerely,

Dr. Joseph Zotto  
Superintendent
