Dear Parent or Guardian,

As you may know, Thornton Fractional 215 made the difficult decision to transition to remote learning through Friday, January 14th due to significant staffing shortages caused by COVID-19 cases in their school setting.

Calumet City School District 155 is not facing the same staffing shortages. Our schools are back from winter break and providing **in-person instruction**. The District will continue to monitor COVID related data in our school settings and community. Any changes to our current plan will be communicated through the administration.

We will continue to prioritize the well-being of our students, staff, and school community.

Sincerely,

Calumet City SD 155 Administrators
