Visitors to and Conduct on School Property

The following definitions apply to this policy:

School property - District and school buildings, grounds, and parking areas; vehicles used for school purposes; and any location used for a School Board meeting, school athletic event, or other school-sponsored or school-sanctioned events or activities.

Visitor - Any person other than an enrolled student or District employee.

All visitors to school property are required to report to the Building Principal's office and receive permission to remain on school property. All visitors must sign a visitors' log, show identification, and wear a visitor's badge. When leaving the school, visitors must return their badge. On those occasions when large groups of parents/guardians, friends, and/or community members are invited onto school property or when community members are attending Board meetings, visitors are not required to sign in but must follow school officials' instructions. Persons on school property without permission will be directed to leave and may be subject to criminal prosecution.

Except as provided in the next paragraph, any person wishing to confer with a staff member should contact that staff member to make an appointment. Conferences with teachers are held, to the extent possible, outside school hours or during the teacher's conference/preparation period.

Requests to access a school building, facility, and/or educational program, or to interview personnel or a student for purposes of assessing the student's special education needs, should be made at the appropriate building. Access shall be facilitated according to guidelines from the Superintendent or designee.

The School District expects mutual respect, civility, and orderly conduct among all people on school property or at a school event. No person on school property or at a school event (including visitors, students, and employees) shall perform any of the following acts:

1. Strike, injure, threaten, harass, or intimidate a staff member, Board member, sports official or coach, or any other person.
2. Behave in an unsportsmanlike manner, or use vulgar or obscene language.
3. Unless specifically permitted by State law, possess a weapon, any object that can reasonably be considered a weapon or looks like a weapon, or any dangerous device.
4. Damage or threaten to damage another's property.
5. Damage or deface school property.
6. Violate any Illinois law, or town or county ordinance.
7. Smoke or otherwise use tobacco products.

8. Distribute, consume, use, possess, or be impaired by or under the influence of an alcoholic beverage, cannabis, other lawful product, or illegal drug. ¹
9. Be present when the person's alcoholic beverage, cannabis, other lawful product, or illegal drug consumption is detectable, regardless of when and/or where the use occurred. ²
10. Use or possess medical cannabis, unless he or she has complied with policy 7:270, *Administering Medicines to Students*, implementing *Ashley's Law*. ³
11. Impede, delay, disrupt, or otherwise interfere with any school activity or function (including using cellular phones in a disruptive manner). ⁴
12. Enter upon any portion of school premises at any time for purposes other than those that are lawful and authorized by the Board.
13. Operate a motor vehicle: (a) in a risky manner, (b) in excess of 20 miles per hour, or (c) in violation of an authorized District employee's directive. ⁵
14. Engage in any risky behavior, including roller-blading, roller-skating, or skateboarding. ⁶
15. Violate other District policies or regulations, or a directive from an authorized security officer or District employee.
16. Engage in any conduct that interferes with, disrupts, or adversely affects the District or a School function.

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

¹ See 720 ILCS 570/407 (delivery of controlled substance on or within 1000 feet of a school) and 410 ILCS 705, added by P.A. 101-27. See also the discussion in f/n 5 and 6 of policy 5:50, *Drug- and Alcohol-Free Workplace; E-Cigarette, Tobacco, and Cannabis Prohibition*; this statement must be consistent with employee working conditions and employee conduct standards (see 5:120-AP2, *Employee Conduct Standards*).

² Each board and superintendent may want to engage in a conversation regarding how the district might partner with local law enforcement to enforce this policy and the penalties available under the Cannabis Regulation Tax Act, e.g., posting signs barring community members from bringing in weapons, alcohol, cannabis, tobacco, etc. Signage reminding visitors of the policy may make it easier for staff and/or local law enforcement to enforce.

³ Managing cannabis on district property and the school setting presents many unsettled and complex legal issues. To legally use medical cannabis in Illinois, an individual must first become a *registered qualifying patient*. The use of cannabis by a *registered qualifying patient* is permitted only in accordance with the Compassionate Use of Medical Cannabis Program Act (Medical Cannabis Program Act (MCPA)). 410 ILCS 130/, amended by P.A. 101-363, eff. 1-1-20 and scheduled to be repealed on 7-1-20. There are many situations in which no one, even a *registered qualifying patient*, may possess or use cannabis, including (a) in a school bus, (b) on the grounds of any preschool or primary or secondary school, or (c) in close physical proximity to anyone under the age of 18 years of age. 410 ILCS 130/30(a)(2), (3), and (4), amended by P.A. 101-363, eff. 1-1-20 and scheduled to be repealed on 7-1-20. However, *Ashley's Law*, 105 ILCS 5/22-33(b) and (g), added by P.A. 100-660, allows *designated caregivers* to administer medical cannabis infused products to students who are *registered qualifying patients* at school or on the school bus, and requires school boards to adopt a policy to implement the law unless the district would lose federal funding. See policy 7:270, *Administering Medicines to Students* and its f/n 20.

Remember that *Ashley's Law* requires the designated caregiver to remove the product from the school premises or the school bus after administering it to the student, so as a result, policy 7:270, *Administering Medicines to Students*, requires immediate removal of medical cannabis infused products after administering them to the student (see f/n 25 of that policy for further discussions).

⁴ See e.g., 720 ILCS 5/21.2-1 *et seq.* (interference with a public institution of education).

⁵ See e.g., 625 ILCS 5/11-605 (special speed limit zones). 625 ILCS 5/12-610.1(e), prohibits wireless telephone use while operating a motor vehicle on a roadway in a school speed zone except for emergency purposes.

⁶ The pivotal question in a negligence case is whether the defendant acted reasonably. A ban on roller-blading demonstrates that the district took reasonable steps to reduce the risk of injury.

Convicted Child Sex Offender ⁷

State law prohibits a child sex offender from being present on school property or loitering within 500 feet of school property when persons under the age of 18 are present, unless the offender is:

1. A parent/guardian of a student attending the school and has notified the Building Principal of his or her presence at the school for the purpose of: (i) attending a conference at the school with school personnel to discuss the progress of his or her child academically or socially, (ii) participating in child review conferences in which evaluation and placement decisions may be made with respect to his or her child regarding special education services, or (iii) attending conferences to discuss other student issues concerning his or her child such as retention and promotion; or
2. Has permission to be present from the Board, Superintendent, or Superintendent's designee. If permission is granted, the Superintendent or Board President shall provide the details of the offender's upcoming visit to the Building Principal.

In all cases, the Superintendent, or designee who is a certified employee, shall supervise a child sex offender whenever the offender is in a child's vicinity.

Exclusive Bargaining Representative Agent ⁸

Upon notifying the Building Principal's office, authorized agents of an exclusive bargaining representative will be provided reasonable access to employees in the bargaining unit they represent in accordance with State law. Such access shall be conducted in a manner that will not impede the normal operations of the District.

Enforcement

Any staff member may request identification from any person on school property; refusal to provide such information is a criminal act.⁹ The Building Principal or designee shall seek the immediate removal of any person who refuses to provide requested identification.

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

⁷ 720 ILCS 5/11-9.3. The statute assigns the child sex offender the "duty to remain under the direct supervision of a school official." In order to ensure this happens and to protect students, the sample policy requires the superintendent, or designee who is a certified employee, to supervise a child sex offender whenever the offender is in a child's vicinity. See also the Sex Offender Community Notification Law (730 ILCS 152/101 *et seq.*); Murderer and Violent Offender Against Youth Community Notification Law (730 ILCS 154/75-105); policy 4:170, *Safety*; and administrative procedure 4:175-AP1, *Criminal Offender Notification Laws; Screening*.

⁸ 105 ILCS 5/ 24-25; 115 ILCS 5/3(c), added by P.A. 101-620. If a provision contained in a collective bargaining agreement addresses this issue, it will supersede this policy for those covered employees. In such cases, the board policy should be amended to state, "Please refer to the applicable collective bargaining agreement." For employees whose collective bargaining agreement does not address this subject, the policy should reflect the board's current practice.

Consult the board attorney about this subhead. It is an item on which collective bargaining may be required. Any policy that impacts wages, hours, or terms and conditions of employment, is subject to collective bargaining upon request by the employee representative, even if the policy involves an inherent managerial right. Amend the language to reflect what is recommended by the board attorney.

The School Code permits bargaining representatives to meet with employees during *duty-free time* upon notice to the school office. The Ill. Educational Labor Relations Act, amended by P.A. 101-620, expanded the rights of access by bargaining representatives to also include meeting with employees during the employee work day if the meeting: (1) is to investigate and discuss grievances and workplace-related complaints (no time limit is specified) or (2) is with a newly hired employee within the first two weeks of employment (or on a later date if mutually agreed upon by the employee and bargaining representative) for one hour or less. In those circumstances, the district may not dock employee pay or charge leave time. 115 ILCS 5/3(c). However, the access must be *reasonable* and "shall at all times be conducted in a manner so as not to impede normal operations." *Id.* Consult the board attorney for guidance regarding specific requests and whether, if granted, they would impede normal operations, e.g., requests for access to staff while they are performing instructional or supervisory duties. Determining whether normal operations are impeded will likely depend upon the position and duties of the employee in the district.

Any person who engages in conduct prohibited by this policy may be ejected from school property. The person is also subject to being denied admission to school events or meetings for up to one calendar year. ¹⁰

Procedures to Deny Future Admission to School Events or Meetings

Before any person may be denied admission to school events or meetings as provided in this policy, the person has a right to a hearing before the Board. The Superintendent may refuse the person admission pending such hearing. The Superintendent or designee must provide the person with a hearing notice, delivered or sent by certified mail with return receipt requested, at least ten days before the Board hearing date. The hearing notice must contain: ¹¹

1. The date, time, and place of the Board hearing;
2. A description of the prohibited conduct;
3. The proposed time period that admission to school events will be denied; and
4. Instructions on how to waive a hearing. ¹²

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

App.3d 344 (4th Dist. 2000) (board was authorized to ban parent from attending all school events and extracurricular activities by 105 ILCS 5/24-24; the ban was based on the parent's exposing a toy gun and a pocketknife at a board meeting); Jordan ex rel. Edwards v. O'Fallon Tp. High Sch. Dist., 302 Ill.App.3d 1070 (5th Dist. 1999) (105 ILCS 5/24-24 did not give a high school athlete the right, under the due process clause, to a notice and hearing before he could be suspended from participating in interscholastic athletics; the statute expands the schools' authority to ban people from attending school events for breaching conduct and sportsmanship code).

¹¹ Id. For ease of administration, this text is broader than 105 ILCS 5/24-24, requiring a hearing for both *school events* and *meetings*. The court in Nuding (see f/n 20, above) did not specifically answer whether a board meeting qualified as a *school event* under 105 ILCS 5/24-24, but upheld the board's right to enforce conduct rules at its meetings under 105 ILCS 5/10-20.5.

For boards that wish to narrow the policy text to mirror 105 ILCS 5/24-24, delete the following text from the subhead and the first sentence of the policy:

Procedures to Deny Future Admission to School Events or Meetings

Before any person may be denied admission to school events or meetings as provided in this policy, the person has a right to a hearing before the Board.

Consult the board attorney before deleting the above text, especially if the board has put the current text into practice and now plans to narrow it. This issue involves a balancing of a board's interest in the orderly transaction of its public business and the efficiency of its meetings against an individual's: (a) statutory rights attend meetings and/or comment to and ask questions of the board (105 ILCS 5/10-16 and 5 ILCS 120/2.06(g)) and (b) constitutional freedoms and rights of speech, the press, assembly, and to petition the government (U.S. Constitution, First Amendment and Ill. Constitution, Art. I, §§ 1, 2, 4, and 5).

If a violator is a student, the hearing should be held in a closed meeting. 5 ILCS 120/2(c)(9).

If, however, the violator is not a student, the hearing must be held in an open session.

¹² The hearing requirement is for the violator's benefit and, consequently, the violator should be able to waive it.
