Dear Calumet City School District 155 Staff, Students, and Families,

At last night's meeting, the Board of Education discussed our approach to remote learning through the late fall and winter months. At this time, we will continue our remote learning as planned through the middle of January. Our priorities will continue to be focused on the safety of all stakeholders.

Staff will be working hard to engage, focus, and prioritize our students' learning. We appreciate your ongoing support and patience. Here are a few announcements/reminders:

- Student appointments will be postponed and held virtually beginning November 16, 2020.
- On November 23, 2020, each school will host virtual parent-teacher conferences.
- District food services will continue and be available as previously communicated.
- Please continue to reach out to your school office for any technology issues or needs.

As we continue our remote learning format for our students, District 155 is committed to helping students succeed and partnering with families as they support students learning at home. We are also committed to supporting our dedicated staff as they teach our students in this challenging environment. District 155 will revisit the remote learning plan and the possibility of transitioning to in-person learning in mid-January.

Sincerely,

Dr. Joseph Zotto
Superintendent

Estimado personal, estudiantes y familias del Distrito Escolar 155:

En la reunión de anoche, la Junta de Educación discutió nuestro enfoque del aprendizaje remoto durante los meses de otoño e invierno. En este momento, continuaremos con nuestro aprendizaje remoto según lo planeado hasta mediados de enero. Nuestras prioridades seguirán centrándose en la seguridad de todos los interesados.

El personal trabajará duro para atraer, enfocar y priorizar el aprendizaje de nuestros estudiantes. Agradecemos su continuo apoyo y paciencia. Aquí hay algunos anuncios / recordatorios:

- Las citas de los estudiantes se pospondrán y se llevarán a cabo virtualmente a partir del 16 de noviembre de 2020.
- El 23 de noviembre de 2020, cada escuela organizará conferencias virtuales de padres y maestros.
- Los servicios de alimentos del distrito continuarán y estarán disponibles como se comunicó anteriormente.
- Continúe comunicándose con la oficina de su escuela para cualquier problema o necesidad de tecnología.

Mientras seguimos continuando con nuestro formato de aprendizaje remoto para nuestros estudiantes, el Distrito 155 se compromete a ayudar a los estudiantes a tener éxito y a colaborar con las familias mientras apoyan el aprendizaje de los estudiantes en casa. También estamos comprometidos a apoyar a nuestro personal dedicado mientras enseñan a nuestros estudiantes en este entorno desafiante. El Distrito 155 revisará el plan de aprendizaje remoto y la posibilidad de hacer la transición al aprendizaje en persona a mediados de enero.

Atentamente,

Dr. Joseph Zotto
Superintendente
