Dear Calumet City School District 155 Staff, Students and Families,

At last night's special meeting, the Board of Education approved the District's 2021-2022 Back to School Plan, American Rescue Spending Plan, and an updated face covering policy. District 155 will return to in-person learning on August 18, 2021. All students, staff and visitors will be required to wear masks inside district facilities regardless of vaccination status. Along with face coverings, many other mitigation strategies were discussed. The discussion of mitigation efforts were inclusive of personal hygiene, physical distancing, breakfast and lunch procedures, increased air quality, and self-monitoring of COVID symptoms prior to attending school. While following the guidelines and recommendations of the IDPH, CDC, and ISBE, it is the district's hope we can limit potential exposure and possible quarantines. The Back to School Plan, American Rescue Spending Plan, and Face Covering Policy can be viewed on our district's website.

Please register your child for the upcoming school year as soon as possible. Our final planning is dependent on enrollment numbers. Please contact your child's school for support if you have questions or are having trouble with your child's online registration.
